

MC92N0 PREMIUM OPERATING SYSTEM WITHOUT MS OFFICE BSP 05.57.17 RELEASE NOTES

INTRODUCTION

The MC92N0G is Symbol's Premium industrial rugged handheld for inpremise scan intensive applications and is the next evolution of the MC9190G product – the best selling rugged mobile computer in the industry designed for such markets as retail, manufacturing, wholesale distribution and thirdparty logistics where intensive bar-code scanning takes place. The MC92N0G is a true systemslevel mobility solution, not just a mobile computer. The solution encompasses not only the new MC92N0G itself, but also software tools, accessories/peripherals and mobility services to provide a true endtoend solution.

Update Loader Image v05.57.17 contains the SW required to update a MC92N0-G Premium device having v14.57.07 or earlier versions and v10.55.11.
